Notes

1. Provide a site plan or subdivision plat with request form if available.
2. If a property does not have road frontage, an Agreement regarding the Maintenance of Private Service Lines by the Property Owner will need to be executed.
3. If site is to be subdivided or it is not in an existing subdivision with existing utilities, then a check for an availability review fee made out to Harpeth Valley Utilities District must be enclosed with request.

Water and Sewer Availability Fees (non-refundable) Amounts are as follows:

- A. Single Family Residential and Small Residential Developments (1-4 Lots) \$150.00
- B. Commercial, Multi-Family and Residential Development (5 or more Lots) \$475.00
